

# INTERNATIONAL WORSHIP INSTITUTE - 2008

## Sponsor & Exhibitor Possibilities “...there will be equality”

Over the past two decades, the *International Worship Institute* (IWI) has become a leading global center for worship training, resources, and future-positive vision.

Each year, more than 1,000 decision-makers come from the nations of the earth to attend this premiere event.

They come to learn from distinguished leaders like Jack Hayford, Darlene Zschech, Matt Redman, Joseph Garlington, Chris Tomlin and many other teachers and worshipers.

They also come to see and meet industry leaders and some of the best technologies, companies, and services available in the world.

We at the *International Worship Institute* treasure our

relationships with sponsors and exhibitors.

In fact, over the years, many have become dear friends and part of the ever-growing IWI family.

Many tell us that each IWI is like a family reunion...the late nights working together, going off to dinner, gathering by the piano, or hanging out in the village of exhibit booths.

We like that very much; it's all about family and community, about strengthening old ties and building new ones.

It's about helping each other succeed in business, ministry, and life.

We believe our familial relationship with our sponsors and exhibitors, reflects a Biblical idea:

***“...your plenty will supply what they need, so that in turn their plenty will supply what you need. Then, there will be equality.”***

2 Corinthians 8:14

We don't allow “money-changers in the temple,” but we do encourage the valid and biblical joy of “supplying one another's needs.”

Come join us for this very unique, very real experience:
